

International Conference on Wireless Communications Signal Processing and Networking

22 - 24 March 2017 | Department of Electronics and Communication Engineering, SSN College of Engineering, Chennai, India

About the Conference

The IEEE international Conference on Wireless Communications, Signal Processing and Networking (WiSPNET) will be held at Electronics & Communication Engineering Department, Sri Sivasubramaniya Nadar College of Engineering, Chennai-603110, India, from March 22 to 24, 2017, under the theme **“Advancing Mobile and Wireless technologies towards the creation of smart world”**.

WiSPNET, shall provide a new forum for the world-class researchers to gather and share their research achievements, ideas and progress that is required to solve the future challenges that the Information Communication field face.

Patronage Benefits-IEEE WiSPNET 2017

Helping and broadening the impact of information and communication technology work

- Support for education and research that focus on **“Advancing Mobile and Wireless technologies towards the creation of smart world”** for the benefit of humanity.

Awareness Building and Branding Building:

- Direct promotion to IEEE members, academicians and research practitioners working in the field of Information Communications.
- Direct promotion to e-mail listings and publications; logo on website and in flyers.
- Access to conference speakers and participants to learn about research issues and, how they are being addressed in the academia as well as in the industry.

High Traffic Networking:

- Approximately 400 attendees
- Exhibit tables located in the same area as conference breaks where participants will have easy access to your information.
- A welcome reception co-located with poster sessions providing direct interaction with innovators
